

I'm going to Disney World!

to get arrested for sharing food with the hungry

Food Not Bombs volunteers are being arrested for sharing free vegan meals with the hungry in protest to war and poverty at Lake Eola Park in Orlando Florida.

Join us Mondays at 9:30 AM and Wednesdays at 5:30 PM

END THE CRIMINALIZATION OF POVERTY

Risk arrest in Orlando, write letters, join the first of the month protest outside your city hall.

In the world's wealthiest country where over 50 cents of every tax dollar goes to fund the military it is possible to make sure no one ever needs to seek food at a soup kitchen or be forced to live on the streets. The city should support Food Not Bombs in ending poverty instead of spending the taxpayer's money on efforts to hide the poor. Ask your union, club, student group, faith community or civic organization to pick one day a month to risk arrest.
