

# FOOD NOT BOMBS

The money spent by the world on weapons in one week is enough to feed all the people on earth for a year. When millions of people go hungry each day how can we spend another dollar on war? More than 20,000 people starve to death every day. If you feel that people need food more than bombs we invite you to call us today. The next few years could profoundly change the world for generations and Food Not Bombs is working to make those changes positive for everyone. We are an all volunteer movement with autonomous groups active in the Americas, Asia, Africa, Europe, the Middle East and Australia. We welcome your help.

Food Not Bombs is organizing several projects in your community.

- Free food distribution to local people in need.
- Literature tables to provide information about food, peace and justice
- Providing hot meals at demonstrations and events.
- Organizing creative actions in protest to war and poverty.

We invite you to work with us to provide desperately needed services and information to our community. You can make a difference!
