Presentation and video with Food Not Bombs co-founder Keith McHenry

Day and Date, 2016

Address and time

(Free or suggested contribution)

Food Not Bombs co-founder Keith McHenry's presentation is sure to inspire your classmates. Keith's story of starting Food Not Bombs while in college and nurturing it to become a global movement is not to be missed.

Keith's newest book is *The Anarchist Cookbook*. Anarchists have talked for decades about producing an anarchist cookbook, a book whose contents accurately reflect its title. A book written by anarchists that delivers recipes for social change, recipes for tasty food, and accurate information about anarchism. There have been several false starts on such a book, but no one has ever published one. Until now. Bon appetite!

Copies of Keith's book "THE ANARCHIST COOKBOOK" will be available
at the presentation
