PLEASE WRITE TO AMNESTY INTERNATIONAL, THE UNITED NATIONS AND  
THE JUSTICE DEPARTMENT

We organized a letter writing campaign to seek support for an end to the arrests in San Francisco by writing Amnesty International, U.S. Justice Department and the United Nations. After many of you wrote these important organizations and they came to our defense. We need your support again. Please write Amnesty International and ask them to review the new campaign against Food Not Bombs based on the ruling against Orlando Food Not Bombs. Restricting our meals and protest to twice a year is a violation of our rights. Thanks for your support!

We are organizing a letter writing campaign to seek an end to the arrests of people sharing food with the hungry in Orlando.
